2020 SMALL BUSINESS
Holiday SHOPPING GUIDE
Welcome to the Renaissance Entrepreneurship Center
2020 Small Business Holiday Shopping Guide

We are delighted to share Renaissance's Gift Giving Guide, a curated selection of over 70 small businesses, featuring unique items - from jewelry to clothing to Christmas ornaments and Menorahs - all that you can purchase from the comfort and safety of your home.

While this is usually the busiest time of year for small businesses, due to the devastating impact of the pandemic, our entrepreneurs are struggling to survive. By purchasing your gifts from Renaissance businesses, you can both delight your loved ones (or yourself!) and directly support our local entrepreneurs who need us now more than ever.

On behalf of all of us at Renaissance, best wishes for safe and healthy holiday season and hope and optimism for 2021. Happy Shopping!

Support local communities by shopping at small businesses

Money spent at small businesses gets reinvested into the local economy through employee wages, spending, city taxes, and more, thereby promoting economic development.

These businesses take orders online and can ship throughout the US. Send gifts to friends and family wherever they are!

All of the businesses listed in this guide have participated in classes and training at Renaissance. To learn more about Renaissance's work, visit rencenter.org.

About Renaissance Entrepreneurship Center

The mission of Renaissance Entrepreneurship Center is to empower and increase the entrepreneurial capacities of socially and economically diverse women and men in the San Francisco Bay Area, and thereby strengthen our communities through the creation of sustainable new businesses, new jobs, and the promotion of financial self-sufficiency.
